UPDATE: Topeka Rescue Mission Staff Member Injury

Topeka Rescue Mission is grateful to report that our staff member who was injured as previously reported, has been released from the hospital and is now continuing recovery at a rehabilitation facility! This significant step forward is a remarkable milestone in what can only be described as a miraculous recovery because of the Lord's work.

In recent days, there have been encouraging signs of continued progress — signs that have brought hope and encouragement to the TRM family and beyond. These developments remind us of the power of prayer, the strength of community, and the unfailing grace of God.

The family has expressed deep gratitude to our Lord and to the TRM community for the overwhelming compassion, love, and support shown throughout this difficult journey. The road to full recovery may still be long, but the momentum of healing offers great encouragement and strengthens our resolve to trust in God's provision and timing.

"There are no adequate words to express the deep gratitude we have for each of those in our community who reached out to offer support and prayers during this situation. Each of our staff members is precious to us, not just as employees but as loved children of God's family. We remain committed to ensuring the safety and well-being of our staff and will continue working closely with authorities to understand this event. At the same time, we rejoice in the progress we have witnessed in the healing process of our injured teammate and continue to support all of our staff as we move forward," shared CEO La Manda Cunningham.

TRM will continue to provide updates as appropriate and appreciate continued prayers during this time of healing and restoration.

Topeka Rescue Mission Ministries is a 501(c)3 nonprofit organization working in the Topeka Community and surrounding Shawnee County. TRM works with community partners to reach those in need by bringing help and hope through serving those experiencing homelessness and feeding the hungry.
